2. Handing of Doors

How to Determine the Handing of a Door:

- The hand of a door is always determined by facing the OUTSIDE of a door.
- If the hinge is on the left side of the door, the door is left handed (LH).
- If the hinge is on the right side of the door, the door is right handed (RH).

To order a handed product, specify LH or RH.
 Not all products are handed; only specify handing when required.
