- Wood 1-1/4" / 3"
- Lead / Brass / Dark Patina Lead

Machining For Hardware Prep

- None – by others
- See Form 1, filled in and signed. (We only offer hinge & lock boring, no bolts, no other parts, no faceplates of handles.)

Timing

- Panel doors 2-10 weeks
- Glazed Doors 5-12 weeks
- Pre-hung, add 2-3 weeks
- Pre-stained, add 4-6 weeks (N/A now)

Questions During Production:

- Factory has carte blanche to make doors "close" to drawings.
- Customer wishes to be consulted on any and all changes (may effect timing)

Special Instructions
