Extras and Options:

- Decorative Glass:
- Handle Range** Steel Doors (\$180 - \$300 - \$450) – Wood Doors: (\$180-400 - 1200 - \$2500 per handle)
- Casing** Steel doors \$20-\$450 – Wood Doors \$100 - \$800
- Brickmould** Steel doors \$20-\$450 – Wood Doors \$100 - \$800
- Arched Openings & Transoms are Special Pricing**
- Ball Park Labour Only** to Cut brick wall re-brick or casing outside \$2500+ + Tax, includes supply of lintel. (add to above install price)
- Use **Low E Glass** with Argon Gas for even better insulative value. Every Window in Low E saves 250 gallons of oil over the life time of the window! Also reduces UV rays: fading of drapes, upholstery and carpeting.
- Security Option** – Steel Frame Protectors, add \$95
- Please Note:** *If you undertake your own installation and/or staining, please consult our information sheets, and the help of professionals. A 50/50 Warranty or Void Warranty is in effect for Improperly Stored, Installed, and Finished Doors. When that work is done properly a 1year replace or repair limited warranty is offered.*
